TOUR INFORMATION

Meet us: Batthyány tér metro exit. Look for tiny square surrounded by the benches. Please use <https://bkk.hu/en/> to plan your journey from wherever you are starting your trip. Our guides hold a blue flag that says FREE TOUR on it.

Starts: Daily at 2:30 PM. Please arrive 5 minute before the tour starts. After the introduction of the tours, they leave the meeting point in about 5-10minutes after the starting time out of respect for those who did arrive on time.

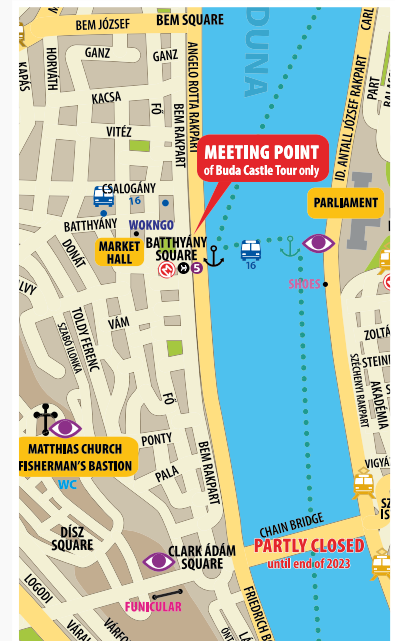

Length: ~1.5-2 hours. The tour goes at a moderate pace for the average walker. We start the tour with an 8 minute uphill walk to the Castle District, that can be difficult with prams(80 stairs roughly). Tour is not recommended with wheelchair.

Conclusion point: Royal Palace area, just right above the Chain Bridge. Closest restroom is in National Gallery. There are some touristy cafés and restaurant nearby.

Price: Free Tours have no fixed prices. You are free to give as much as you feel the tour is worth. A suggested contribution is 10€ (4000 HUF) /guest. (price of 3 local beer) The reason we suggest a number is for those who are unsure of what is helpful for us to keep running our quality tours. Our tour guides are Hungarians with Hungarian guiding license. We do not have card reader. Please use cash only payment.

- 2 The closest restroom to find at the beginning of the tour is in the top level of the food market. (Central station looking building, next to St. Anne Church) Big grocery shop and plenty of local fast food eating places are available around the meeting point area.
- 3 If you need to use public transportation to get to the meeting point always validate your ticket and keep it until the end of your journey. Like in most metropolis pickpockets are an existing thread, therefore please pay attention to your belongings during the walking tours.
